MERIDIAN GRID TICS, ZONE 17

This map is an illustration and is not intended for use in direct measurement of real features
on the surface of the earth or any other engineering design. The size of objects and
distances between them are exaggerated for ease of use only. This map does not contain
all or even most of the features found on the face of the earth in any given location.
It only depicts those features found in the legend within its geographic area.
The intended use of this map is for planning and simple location of features to
within several hundred feet of their correct position on the face of the earth.
