

Public Meeting

Hedgesville High School – 109 Ridge Road North Hedgesville, West Virginia

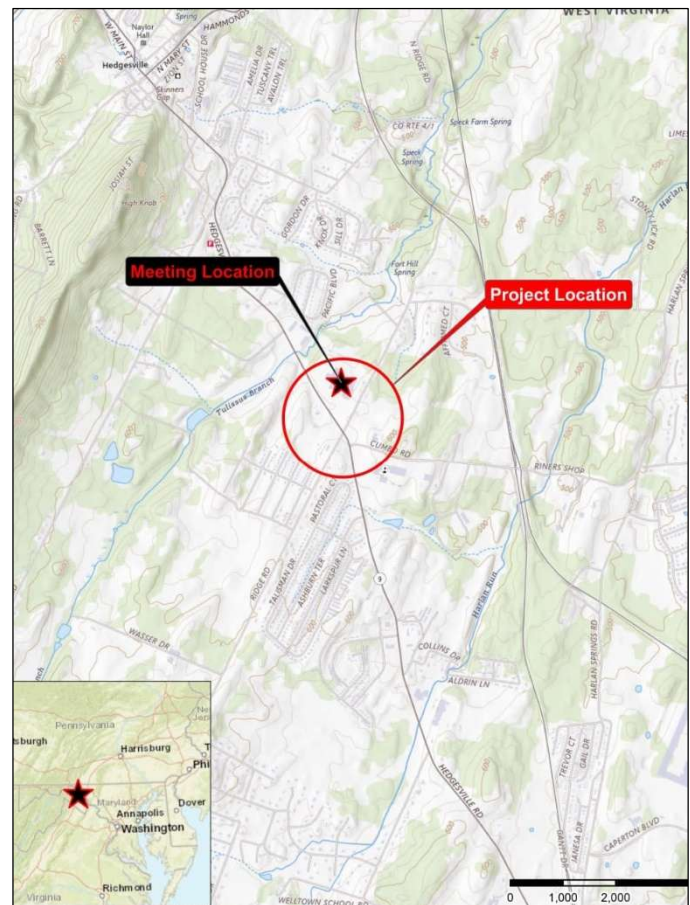

Thursday, November 13, 2025 – 4:00 to 7:00 PM

The West Virginia Division of Highways (WVDOT) is conducting this informational public workshop to discuss alternative design concepts for the WV 9 Ridge Road Roundabout project south of Hedgesville High School in Berkeley County. This meeting complies with the public involvement requirements of the *National Environmental Policy Act* (NEPA) and Section 106 of the *National Historic Preservation Act*. You are encouraged to examine the display boards showing the three roundabout designs and discuss the project with members of the study team.

Project Description

The purpose of the project is to provide safety and mobility (roadway and intersections) for pedestrians and motorized vehicles along West Virginia State Route 9 (WV 9)/Hedgesville Road at the intersections of Ridge Road (CR-4) and Cumbo Road (CR 1/6).

An alternative analysis completed by the WVDOT recommends that the current intersections be replaced with a roundabout. The WVDOT and its design consultant evaluated six roundabout options, a rehabilitation alternative, and a no-build alternative. The three build alternatives being advanced for public comment are shown on the following pages. Each alternative will be 2 lanes in each direction along WV 9 and in the roundabout. Alternative 2, a peanut-shaped, 5-leg roundabout is the Preferred Alternative because it has the best traffic operation, maintains more of the existing roadway alignment, and is the least expensive to build.

WV 9 Ridge Road Roundabout

State Project: U302-009-7.88 00
Federal Project: NHPP-0009(320)D

Tentative Project Schedule WV 9 Ridge Road Roundabout

Informational Workshop Public Meeting November 13, 2025
Comments Due December 15, 2025
*Expected Environmental Clearance Early 2026
*Begin Right of Way Activities Spring 2026
*Begin Construction Activities Late Spring 2027

*Dates are approximate and subject to change

Thank you for attending our meeting!

Your interest in the project is greatly appreciated.
