

Re: You can now pay electronically!

Valued Customer,

We are pleased to announce that we have adopted a new solution that allows you to submit payments online, via a secure form, without the hassle of writing and mailing a check.

The form is a secure form through the WV State Treasury's Office that requires an invoice number. Please see the form below for select companies' invoice numbers. If you are an individual, please use the prefix TR- and add your last name as your invoice number. (Example: TR-Doe) Please contact DOHWVTRETBoard@wv.gov or call (304)414-6836 if your company is not listed or you have any questions.

When a payment is due, simply go to <https://transportation.wv.gov> and scroll to the middle of the page. On the left-hand side of the page click **"Online Invoice Payments"** to pay via credit card or ACH. Please send your payment confirmation form to DOHWVTRETBoard@wv.gov.

No more paper, no more stamps, and no more headaches! We are looking forward to the transition and hope you enjoy the simplified process as well. You may still send in checks as you have been if you prefer that method. Please let us know if you have any questions and have a great day!

Best regards,

West Virginia Transportation Engineering Technician Certification Board
304-414-6836
