IL 10 (12/06) OLD REPUBLIC INSURANCE COMPANY

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

NOTICE OF CANCELLATION TO CERTIFICATE HOLDERS

This endorsement modifies the notice of cancellation of insurance provided hereunder by adding the following:

- A.** In the event this policy is cancelled for any permissible reason, other than for nonpayment of premium, we shall endeavor to provide advance written notice of cancellation to certificate holders set out in the schedule on file with the Company, after notifying the first Named Insured of such cancellation. Notice of cancellation to certificate holders may be made by any commercially reasonable means, including mail, electronic mail, facsimile transmission or courier service.
- B.** This advance written notification of a cancellation of coverage is intended as a courtesy only. Our failure to provide such advance written notification will not extend the policy cancellation date, nor negate cancellation of the policy.

All other terms and conditions of this policy remain unchanged.

SCHEDULE OF EVENTS		
<u>Line</u>	<u>Event</u>	<u>Event Date</u>
1	Technical Question Deadline 10 AM EST	2025-06-18

SOLICITATION NUMBER: Addendum Number:

The purpose of this addendum is to modify the solicitation identified as (“Solicitation”) to reflect the change(s) identified and described below.

Applicable Addendum Category:

- ☐ Modify bid opening date and time
- ☐ Modify specifications of product or service being sought
- ☐ Attachment of vendor questions and responses
- ☐ Attachment of pre-bid sign-in sheet
- ☐ Correction of error
- ☐ Other

Description of Modification to Solicitation:

Additional Documentation: Documentation related to this Addendum (if any) has been included herewith as Attachment A and is specifically incorporated herein by reference.

Terms and Conditions:

1. All provisions of the Solicitation and other addenda not modified herein shall remain in full force and effect.
2. Vendor should acknowledge receipt of all addenda issued for this Solicitation by completing an Addendum Acknowledgment, a copy of which is included herewith. Failure to acknowledge addenda may result in bid disqualification. The addendum acknowledgement should be submitted with the bid to expedite document processing.

ATTACHMENT A

Pavement Preservation, ATTACHMENT A PRICING PAGE (ATT A)

VENDOR INSTRUCTIONS:

Vendor shall complete Parts I, II and III below in their entirety. Vendor may bid any or all Contract Items. If Vendors prices differ from one District to another, the Vendor should complete a separate Pricing Page (ATT A) for each differing pricing set.

This is a multiple vendor award contract. To determine the low bid Vendor for individual projects, the WVDOH District Engineer or their designee will calculate the lowest overall total cost of the Contract Items required for individual projects. Estimated quantities are not available.

PART I: VENDOR INFORMATION (Required)

Vendor Name:	Russell Standard Corporation
Storage Location Address:	171 Seventh Avenue, Valencia, PA 16059
	1514 Black Gap Road Fayetteville, PA 17222
Aggregate Source Address:	
	See attached list for various sources

PART II: DISTRICTS BID (Required)

<input checked="" type="checkbox"/>	District 1: Boone, Clay, Kanawha, Mason and Putnam counties
<input checked="" type="checkbox"/>	District 2: Cabell, Lincoln, Logan, Mingo and Wayne counties
<input checked="" type="checkbox"/>	District 3: Calhoun, Jackson, Pleasants, Ritchie, Roane, Wirt and Wood counties

Responses to Questions from Vendors

Question 1

Would you consider adding hauling surcharges by county (like the last purchase order) to capture differences in aggregate FOB pricing? Currently there are only two line items (Haul, First Ton-Mile and Haul, Additional Ton-Mile) that is insufficient to capture pricing into each county from different FOB sources.

Response 1

No, we do not intend to revert back to the Aggregate Surcharge bid in the prior contract. The aggregate haul is consistent with how we address aggregate used for other Purchase Order Contracts for services involving aggregate. The aggregate charge is now a more exact rate for the aggregate hauled for a project.

In the low bid determination, the aggregate haul would be calculated by the district from the vendors nearest aggregate source to the project site.

The vendors Aggregate Haul, First Ton-Mile is similar to a mobilization rate – the amount the vendor would anticipate that it would take to deliver aggregate to a district. Things a vendor might factor into their ton-mile bid rate would be manpower, vehicle expenses, deadhead to the aggregate source, and other overhead, plus the first ton-mile of fuel needed. Each Aggregate Haul, Additional Ton-Mile would factor in expenses the vendor would experience due to the distance they must travel, in ton miles – such as fuel. Vendors should consider that this distance could fall anywhere within the district being bid but would be compensated for the distance per ton mile.

Additional language has been added to the Contract Specifications, Section 3.4.

Question 2

How should bidders capture the different FOB aggregate costs?

Response 2

Please see Response 1 above.

Question 3

Do bidders need to submit multiple price sheets based on storage locations and aggregate sources?

Response 3

If vendors have different prices per district they should submit a separate ATT A for each district's pricing. Vendors should submit no more than one set of prices per district.

REQUEST FOR QUOTATION
Pavement Preservation

SPECIFICATIONS

1. **PURPOSE AND SCOPE:** The West Virginia Division of Highways is soliciting bids to establish an open-end contract for pavement preservation throughout the state of West Virginia including materials, delivery, labor, and traffic control by the Vendor.
2. **DEFINITIONS:** The terms listed below shall have the following meanings assigned to them throughout and for the purpose of this Solicitation. Additional definitions can be found in Section 2 of the General Terms and Conditions.
 - 2.1 **“ADO” and “Agency Delivery Order”** - A written order entered by WVDOH personnel in the wvOASIS financial system against a master agreement, authorizing quantities of commodities and/or services to be delivered in accordance with all terms, conditions, and prices stipulated in the original contract.
 - 2.2 **“APL” or “Approved Source,”** – interchangeable terms referring to the Approved Product Lists (APL) of certified manufacturers and/or products that meet acceptable levels of quality as determined by WVDOH Materials Control, Soils and Testing Division (MCS&T). These lists are updated periodically, and it is the Vendors responsibility to refer to the MCS&T website to ensure compliance. Reference:
https://transportation.wv.gov/highways/mcst/Pages/APL_By_Number.aspx.
 - 2.3 **“ASTM International” and “ASTM”** – the international standards organization that develops and publishes voluntary consensus technical standards for a wide range of materials, products, systems, and services. Reference: www.astm.org.
 - 2.4 **“Contract Item”** - The list of items available for Vendor to provide pricing as identified in Section 3.2 of this Solicitation and referenced throughout.
 - 2.5 **“Contractor” or “Vendor”** - Interchangeably used throughout this Solicitation and in any cited Sections of the West Virginia Department of Transportation, Division of Highways Standard Specifications, Roads and Bridges, adopted latest Standard Specs edition, as amended, including any Supplementals and refers to any entity submitting a bid in response to the Solicitation, the entity that has been selected as the lowest responsible bidder, or the entity that has been awarded the Contract, as context requires.
 - 2.6 **“Emergency Work”** – Work or orders required to be done without delay owing to circumstances for which the WVDOH could not have reasonably expected and has been designated as such by a representative of the WVDOH.

REQUEST FOR QUOTATION
Pavement Preservation

- 2.7 “FOB” or “Free on Board”** - Indicates that the price for goods includes delivery at the Vendor’s expense to a specified point, and that the Vendor retains liability for loss or damage until the goods are delivered.
- 2.8 “Liquidated Damages”** - Monetary compensation due from the Vendor in the event the Vendor’s performance falls short of contractual stipulation or breaches the contract. Delays in the delivery of goods and/or services or quality failures or corrections by the Vendor may result in the Agency assessing charges for such deficiencies per these contract Specifications, the Standard Specs Section 108.7, as amended, and calculated from the table posted in Section 6.5.1 of these Specifications.
- 2.9 “MCS&T”** - the WVDOH Materials Control, Soil and Testing Division, who performs all procedures necessary for the sampling, testing, reporting, and inspection of products and materials to maintain a reliable quality assurance system. Reference:
<https://transportation.wv.gov/highways/mcst/Pages/default.aspx>
- 2.10 “MP”** - refers to a Materials Procedure per the Materials Control, Soils, and Testing Division of the West Virginia Division of Highways, as amended. Reference: <https://transportation.wv.gov/highways/mcst/Pages/WVDOH-Materials-Procedures.aspx>
- 2.11 “MTTC”** - The Manual on Temporary Traffic Control for Streets and Highways, 2006 Edition, as amended. Reference the WVDOH Traffic Engineer website for the latest version:
<https://transportation.wv.gov/highways/traffic/Pages/default.aspx>
- 2.12 “Pavement Preservation”** - The application of specific asphalt emulsions, aggregates, and other materials which are applied to the surface of existing highways and roads to prolong the lifespan of pavements.
- 2.13 “Pricing Pages,” “Attachment A,” and “ATT A”** - The schedule of prices attached hereto as Attachment A (ATT A) and used to evaluate Solicitation responses.
- 2.14 “RPM” or “Raised Pavement Markers”** – Safety devices used on roads that include a lens or sheeting to enhance their visibility by reflecting automotive headlights and used to show roadway alignment or to replace or supplement other pavement markings.
- 2.15 “Solicitation”** - The official notice of an opportunity to supply the State with goods or services.

REQUEST FOR QUOTATION
Pavement Preservation

2.16 “Standard Specs” - Used throughout this solicitation means the West Virginia Department of Transportation, Division of Highways Standard Specifications, Roads and Bridges, most recent edition, as modified or amended by all subsequent Supplemental Specifications.

2.17 “WVDOH” or “Agency” - Interchangeable terms for the West Virginia Division of Highways.

3. GENERAL REQUIREMENTS:

3.1 Standard Specifications Roads and Bridges: The following Standard Specs Sections shall apply, as applicable, to the administration of this contract: 101, 102, 103, 104, 105, 106, 107, 108, 109, and 110, as amended.

Materials, equipment, and performance of this contract shall conform to, but are not limited to, the requirements of Sections 401, 403, 405, 407, 408, 420, 636, 663, 702, 703, 705, 708, and 715, as amended.

Free electronic copies of the Standard Specs and Supplementals are available at: <https://transportation.wv.gov/highways/TechnicalSupport/specifications/Pages/default.aspx>. Hard copies of these publications may be purchased from the Technical Support Division by completing the Specification Order Form provided within the website.

3.2 Contract Items and Mandatory Requirements: Vendor shall provide Agency with the Contract Items listed below on an open-end and continuing basis. Contract Items must meet or exceed the mandatory requirements as shown below.

3.2.1 Pre-Paving Meeting: Prior to the beginning of a pavement preservation project, the WVDOH District Engineer or designee will arrange to meet Vendor to review and discuss the following:

- A detailed work schedule.
- The maintenance of traffic.
- The calibration of equipment.
- The Job Mix Formula.
- Equipment inspections, including transport units.

3.2.2 Materials and Equipment: In addition to the requirements of the Standard Specs sections referenced herein, material and equipment used to perform the work under this contract shall meet or exceed requirements set within referenced APL or MP guidelines. **It is the responsibility of the Vendor to ensure the utilization of approved products and sources for**

REQUEST FOR QUOTATION
Pavement Preservation

work performed under this contract. Reference:

<https://transportation.wv.gov/highways/mcst/Pages/default.aspx>

3.2.3 Traffic Maintenance: The maintenance of traffic shall be provided by Vendor and coordinated with the WVDOH District Engineer or designee at the Pre-Paving Meeting. While undergoing improvements, the project site shall be kept open to traffic in such condition that both local and through traffic will be adequately and safely accommodated. All improvement operations shall be scheduled to keep traffic delays to a minimum.

3.2.3.1 Traffic Control Services: Vendor must provide traffic control in accordance with Standard Specs Section 636, as amended. Failure to bid all Traffic Control services will result in the disqualification of the entire bid.

3.2.3.2 Surface Protection: Vendor shall be responsible for surface protection against damage by vehicles, equipment, and personnel. Traffic shall not be permitted on any part of the treated surface until it has cured sufficiently. The new surface must be able to carry normal traffic without damage within one hour of application. Repairs due to inadequate surface protection will be at the Vendor's expense.

3.2.4 Test Strips: At the request of the District Engineer or their designee, the Vendor shall utilize test strips to demonstrate the mixing of materials and placement procedures of each mixing machine to be used on a project. Test strips shall be performed at the beginning of the first day of production on the roadway to be treated. The completed test strip must be at least 500 feet in length and shall be reviewed to detect and correct any variances in surface texture, material ratio, and finished surface appearance. Additionally, the test strip will be used to establish the target job application rate.

3.2.5 Surface Patching: No pavement preservation application shall be performed until breaks, holes, depressions, and other irregularities in the base or existing surface have been repaired, sealed, and cured sufficiently. The WVDOH will ensure that potholes and irregularities have been corrected prior to the start of scheduled pavement preservation applications.

3.2.6 Surface Preparation: Vendors must ensure that the roadway is cleaned and appropriately prepared prior to the start of work and include surface preparation in its bid price for all pavement preservation Contract Items, except for the Items listed below, which shall be bid individually.

REQUEST FOR QUOTATION

Pavement Preservation

3.2.6.1 Removal of Pavement Markings: Pavement Markings and Thermoplastic Markings shall be removed per Standard Specs Sections 405, 420, and 663, as amended, except when the project plans indicate an alternative.

3.2.6.2 Crack Sealing, 1" or Less: The sealing of cracks measuring 1" or less shall consist of cleaning and filling voids in asphalt or in concrete pavement as required in Standard Specs Section 403, as amended.

3.2.6.3 Hot-Applied Asphalt Mastic (HAM) Treatment: The sealing of cracks measuring larger than 1.5" shall require cleaning and the use of HAM Treatment. HAM treatment must be applied in accordance with the requirements established in Exhibit 1 (EXH 1) - Special Provision Section 403 Hot-Applied Asphalt Mastic (HAM) Treatment.

3.2.7 Pavement Preservation Applications: Emulsions or binders used for Pavement Preservation Applications must utilize approved sources from APL 705- Certified Bituminous Materials, as amended, at:
https://transportation.wv.gov/highways/mcst/Pages/APL_By_Number.aspx.

3.2.7.1 Chip Seal: In accordance with Standard Specs Section 405, as amended, Vendor shall provide all materials, equipment, and labor for chip seal applications.

3.2.7.1.1 Cationic emulsified asphalt shall conform to the requirements of AASHTO M 208 per WVDOH Standard Specs, Section 705.11, as amended.

3.2.7.1.2 Anionic emulsified asphalt shall conform to the requirements of AASHTO M 140, per WVDOH Standard Specs, Section 705.4, as amended.

3.2.7.1.3 Polymer-modified cationic emulsified asphalt shall conform to the requirements of AASHTO M 316, Per WVDOH Standard Specs Section 705.12, as amended. A surcharge can be added for supplying Polymer Modified Cationic Emulsified Asphalt if requested on the Delivery Order.

3.2.7.2 Fog Seal: In accordance with Standard Specs Sections 405 and 407, as amended, Vendor shall provide all materials, equipment, and labor for fog seal applications.

REQUEST FOR QUOTATION
Pavement Preservation

3.2.7.3 Tack Coat: In accordance with Standard Specs Sections 408 and 420, as amended, Vendor shall provide all materials, equipment, and labor for tack coat applications.

3.2.7.4 Stress Absorbing Membrane Interlayer (SAMI) Seal: Vendor shall provide material, equipment, and labor for placing SAMI seal as an interlayer between existing distressed pavements and a surface course of asphalt to reduce reflective cracking. SAMI seal must be applied in accordance with requirements established in Exhibit 2 (EXH 2) – Special Provision Section 407 Asphalt Stress Absorbing Membrane Interlayer Fiber SAMI Seal.

3.2.7.5 Asphalt Emulsion Slurry Seal Coat: Vendor shall provide all materials, equipment, and labor for the application of Asphalt Emulsion Slurry Seal Coat in accordance with requirements established in Exhibit 3 (EXH 3) Special Provision Section 425 Asphalt Emulsion Slurry Seal Coat.

3.2.7.6 Micro Surface, Types 2FA & 3FA: In accordance with Standard Specs Section 420, as amended, Vendor shall provide all materials, equipment, and labor for Micro Surface single and multiple course applications.

3.2.7.7 Micro Surface, Rut Fill: In accordance with Standard Specs Section 420, as amended, Vendor shall provide all materials, equipment, and labor needed for completion of Rut Fill.

3.2.8 Pavement Markings

3.2.8.1 Temporary Pavement Markings: Temporary pavement markings and temporary RPMs shall be installed in accordance with Standard Specs Sections 420, 636 and 663, as amended.

3.2.8.2 Permanent Raised Pavement Markings: Permanent RPM's must be stored and installed in accordance with Standard Specs sections 420, 663, 715.40.6, as amended, Exhibit 4 (EXH 4) Revised Standard Detail Raised Pavement Marker Types P and R.

3.2.8.2.1 Type P-2 must be listed on APL 715.040.002 – Type P-2 Raised Pavement Markers, as amended.

3.2.8.2.2 Type R-4 must be listed on APL 715.040.006.2–Type R-4 RPM Raised Pavement Markers, as amended.

REQUEST FOR QUOTATION

Pavement Preservation

3.2.9 Surface and Quality Control: The finished pavement surface and work performed shall meet all quality standards established in the Standard Specs referenced herein for the application used. If the finished surface or work fails to meet the required standards, work must stop immediately, and the appropriate corrective action must be determined. Corrections will be reviewed and approved by the District Engineer or designee before resuming production.

3.3 Weather and Seasonal Limitations: Acceptable air and pavement temperatures, rain, inclement weather restrictions, and seasonal limitations can vary for each Pavement Preservation method. Vendors must adhere to requirements established in the Standard Specs for the Pavement Preservations method being applied. If guidance for weather restrictions or limitations are not available within the Standard Specs for the anticipated Pavement Preservation application, the manufacturers recommended guidelines shall be followed with the approval of the WVDOH District Engineer or designee.

3.4 Aggregate Haul: Vendor must supply aggregate for all pavement preservation applications from the APL Approved A-1 Aggregate Sources, as amended, at https://transportation.wv.gov/highways/mcst/Pages/APL_By_Number.aspx. The WVDOH will use the Vendor's nearest aggregate source location to the Agency worksite for the low bid determination and for invoicing purposes.

Both in-state and out-of-state delivery route mileage will be calculated by the WVDOH, using the shortest route, by utilizing "Google Earth" or a similar source for routing from the Vendor's plant location to the WVDOH mid-point of the project location. WVDOH will determine the route to be taken due to bridge and/or road restrictions which shall have acceptable load limits for both roads and bridges.

3.5 Mobilization: Mobilization shall be defined as the one-time, one-way transport of equipment from a Vendor's nearest storage location to an Agency worksite. The WVDOH will calculate mileage from a Vendor's storage location to an Agency worksite by utilizing Google Maps or a similar mapping source. In the event of bridge and/or road restrictions, the Agency will decide on the route to be taken by Vendor.

3.5.1 First Mile: First mile mobilization shall be defined as the calculation of any material, equipment, and labor involved in the transport of equipment to a WVDOH worksite. First mile mobilization shall be paid for the first mile only and will not be paid for worksite-to-worksite movement.

3.5.2 Additional Mile: Additional mile mobilization shall be defined as the per mile pricing (after the first mile) for the transport of equipment from a Vendor's source location to a WVDOH worksite. Additional mile

REQUEST FOR QUOTATION
Pavement Preservation

mobilization may be charged by Vendor for the one-way movement of equipment from one worksite to another.

3.6 Material Acceptance Criteria: Materials found not to be in compliance with the requirements of this contract or, work appears to be unacceptable upon visual inspection by the WVDOH District Engineer or designee, the work may be rejected, removed, and replaced at the Vendor's expense, except where price adjustments have been established within the Standard Specs.

3.6.1 Emergency Work: Emergency work as ordered by WVDOH District Engineer, or their designee is work that shall be initiated within 48 hours from when the request is received by the vendor. The determination of emergency work will be in accordance with Section 2.6 of this Solicitation and prominently noted on ADO. Designated emergency projects will be paid at 1.50 times the vendors bid price.

4. CONTRACT AWARD:

4.1 Contract Award: This Contract is intended to provide Agencies with a purchase price on all Contract Items. Vendor may bid any or all Contract Items. This is a multiple Vendor award contract. All responsible Vendors shall be awarded a contract for those Contract Items bid which meet all mandatory requirements of this Contract.

4.1.1 Determining Low Bid Per Project: To determine the low bid vendor for individual projects, the WVDOH District Engineer or their designee will calculate the lowest overall total cost of the Contract Items required for individual projects. A written ADO will be issued to the Vendor with the lowest overall total cost.

WVDOH reserves the right to request any one or combination of Contract Items for which bids are awarded at the lowest overall total as set forth in this section.

4.2 Pricing Pages, Attachment A ("ATT A"): Vendor shall complete the Pricing Pages by providing a bid price for any or all Contract Items listed. Vendor shall factor into their bid prices all equipment, materials, delivery, and labor required to provide Contract Items. Vendors may bid on any or all Districts. Failure to complete ATT A in its entirety may result in the disqualification of Vendor's bid. All bids or pricing submitted shall be held and honored by the Vendor for 90 days after the bid opening date.

REQUEST FOR QUOTATION
Pavement Preservation

- 4.2.1** The Pricing Pages contain a list of the Contract Items with no guarantee that any Contract Item will be purchased throughout the life of this contract. Estimated quantities are not available.
- 4.2.2** Vendor should type or electronically enter the information into the Pricing Pages spreadsheet to prevent errors in the evaluation. In most cases, the Pricing Pages are available in wvOASIS within the solicitation attachments, however, Vendors may request an electronic copy of the Pricing Pages spreadsheet for bid purposes by sending an email request to the following address: DOTProcurement@wv.gov.
- 4.2.3** Changing a column or row description, Contract Item description, or unit of measure on the **Pricing Pages, Attachment A (ATT A)**, shall result in the disqualification of the Contract Item bid on the altered line. In circumstances when all Contract Items must be bid for bid evaluation and contract award, the disqualification of any Contract Item will result in the disqualification of the entire bid.

Submitting Pricing Pages other than those provided with this solicitation, as described in Section 4.2, shall result in the disqualification of Vendor's bid in its entirety.

Vendor entries of bid prices or other notations made in wvOASIS commodity line descriptions will not be considered for bid evaluation or award.

- 4.3 Contract Award Transition:** Upon award of this contract, the WVDOH will announce the effective date of use of this contract to the Districts and the Vendors, whether it is by the effective date, the completed and encumbered date, or an established date by the WVDOH. Upon the announced effective date of use, any order issued prior to the award of the contract shall remain in effect and should not be cancelled until that order is filled; however, after 10 working days of the Districts and Vendors notice, any order that has not been completely filled by the Vendors shall NOT be completed and a cancellation notice will be sent to that Vendor from the issuing District for cancellation of the balance of that order only. No orders from prior contracts should be held open by the Districts or Vendors longer than 10 working days after the effective date of use is announced for the new contract.

5. ORDERING, INVOICING AND PAYMENT:

- 5.1 Ordering:** Vendor shall accept orders through regular mail, facsimile, email, or any other written forms of communication. Vendor shall maintain and keep current its phone numbers, fax number, email address, locations, and

REQUEST FOR QUOTATION
Pavement Preservation

ordering/billing/ payment addresses with WVDOH and in wvOASIS. Vendor may, but is not required to, accept online orders through a secure internet ordering portal/website. If Vendor can accept online orders, it shall include in its response a brief description of how Agencies may utilize the online ordering system. Vendor shall ensure that its online ordering system is properly secured prior to processing Agency orders online.

- 5.2 Agency Delivery Order (“ADO”):** District personnel must issue an ADO from wvOASIS for specific quantities of materials based on each project’s requirements and detailing the need and location information of work to be completed per Contract Items, as well as the start and end dates, which will become the agreed upon official start and end dates. The ADO must be created in wvOASIS and approved to “Final”, prior to placing the order with the Vendor. The District is responsible for creating the ADO in OASIS and is required to submit the approved order, in writing, directly to the vendor via mail, email or fax. **Verbal communication with the Vendor is not considered an official order.** In the event the Vendor denies an order or if there are changes to an ADO, the District must process a change order to the approved ADO issued from wvOASIS.

Emergencies shall be prominently noted on the ADO. Once complete, the ADO shall be sent to Vendor via fax, email, or mail.

- 5.2.1 Lead Time:** The WVDOH should plan accordingly to allow the Contractor a minimum of 14 calendar days prior to the date of the agreed upon start date on the ADO to allow Vendor to mobilize and begin work.

- 5.3 Invoicing:** Invoices submitted to WVDOH for payment should contain the following information:

- Vendor’s name and payment remit-to address, as they appear in Vendor’s wvOASIS account.
- The corresponding order’s ADO number.
- The ordering Agency’s project site
- The Contract Item description, unit price, quantity, and extended total.
- The dates Contract Items were provided.

- 5.4 Payment:** Upon completion of the work indicated on the ADO, Vendor shall accept payment in accordance with the payment procedures of the State of West Virginia. The State of West Virginia currently utilizes a Purchasing Card program, administered under contract by a banking institution, as well as Electronic Funds Transfer as methods to process payment for goods and services. The Vendor shall accept the State of West Virginia’s Purchasing Card and Electronic Funds Transfer for payment of orders under this Contract. Electronic Funds Transfer for payment is available through the WV State Auditor’s Office.

REQUEST FOR QUOTATION
Pavement Preservation

The Vendor may visit the WV State Auditor's website (wvsao.gov) for all necessary forms and instructions. Payment method may be dictated at WVDOH's discretion.

6. PROJECT ACCEPTANCE, DELIVERY AND RETURN:

- 6.1 Project Acceptance and Written Verification of Receipt:** Upon receipt of a WVDOH ADO, the Vendor shall advise the WVDOH in writing within five (5) calendar days of their acceptance or refusal of the ADO. As verification of receipt, Vendor must provide written acknowledgement of any ADO and any Revisions/Modifications thereto sent by WVDOH. Failure to provide the WVDOH with written acknowledgement of any ADOs/Revisions within five (5) days of the Order being sent shall be considered refusal of the ADO. In the event of refusal, the WVDOH at its own discretion shall cancel the ADO and may seek to obtain the goods or services from the next low bid Vendor or proceed with an emergency purchase from the open market.
- 6.2 Negotiation of Dates:** The WVDOH shall have the option to negotiate with the Vendor, the project's tentative start and end dates. **Project work shall be continuous to completion unless otherwise approved in writing by the WVDOH District Engineer or their designee.**
- 6.3 Delivery Time:** Work shall be scheduled by the WVDOH. The Vendor shall mobilize, commence, and complete work delivery in accordance with the WVDOH's written ADO, per project. Any changes must be communicated by the Vendor in writing to the WVDOH District Engineer or their designee. The Vendor shall work in an efficient manner in effort to keep traffic delay to a minimum and traffic must be adequately and safely accommodated. Vendor shall ship/provide all orders in accordance with the dates assigned to each project per the ADO and shall not hold orders until a minimum delivery quantity is met. **No Vendor is authorized to ship project related goods or begin work/services, nor is the WVDOH authorized to receive materials, prior to the issuance of an ADO.**
- 6.4 Adverse Weather Conditions:** Unsuitable/adverse/inclement weather conditions may dictate the work schedule. It is preferred that operations be suspended immediately when an inclement weather event begins or if the WVDOH District Engineer or their designee determines that an inclement weather event is imminent. If working conditions are dangerous or unsuitable for the WVDOH, Vendor, or general public, work shall be suspended by the WVDOH Engineer/designee. If needed, revision to the project's start and end date may be negotiated by the Vendor and the WVDOH Engineer/designee. After a weather-related suspension of work, the WVDOH District Engineer or their designee shall determine and convey in writing, such ADO changes and when work shall

REQUEST FOR QUOTATION
Pavement Preservation

commence/resume, followed by the Vendor's written acknowledgement.

- 6.5 Late Delivery:** The Agency placing the order under this Contract must be notified in writing if orders will be delayed for any reason. Any delay in delivery that could cause harm to an Agency will be grounds for cancellation of the delayed order, and/or obtaining the items ordered from another awarded vendor or proceed with an Emergency Purchase from the open market.

The Agency placing the ADO under this Contract must be notified **in writing by the Vendor no later than five (5) business days prior to the agreed upon dates noted on the Agency's order.** Any failure to notify, acknowledge receipt of WVDOH's written ADOs/ Revisions resulting in delivery delay, or failure to start or complete the project per the WVDOH scheduled due dates may be determined by the WVDOH at its sole discretion as harmful to the Agency and as such, shall result in WVDOH's cancellation of the ADO and application of Liquidated Damages.

Any Agency seeking to obtain items from the open market under this provision must first obtain approval of the WVDOT Procurement Division.

- 6.5.1 Liquidated Damages:** If the Vendor's work completion or corrections of deficient work exceeds the ADO completion due date or timeframe, the Vendor shall agree that no extension of contract time will be granted unless Liquidated Damages are applied by the WVDOH. Liquidated damages shall be applied by Vendor as an itemized invoice credit for the corresponding ADO. The WVDOH shall calculate Liquidated Damages per project beginning on day one (1) after the WVDOH's specified ADO due date and in accordance with this Section, the Contract's Terms and Conditions, Standard Specs Section 108.7, and the following Standard Specs Section Table 108.7.1 - Schedule of Liquidated Damages, as amended:

**Table 108.7.1
Schedule of Liquidated Damages**

Original Contract Amount		Daily Charges Per Calendar Day
For More Than	To and Including	
\$0	\$500,000	\$350
\$500,000	\$2,000,000	\$650
\$2,000,000	\$10,000,000	\$1,600
\$10,000,000	\$25,000,000	\$3,100
\$25,000,000		\$4,200

- 6.5.2 Force Majeure:** It shall be further noted that the Vendor is not responsible for and shall not be penalized for delays in its delivery of

REQUEST FOR QUOTATION
Pavement Preservation

goods and/or services when caused by factors or events outside Vendor's control, including but not limited to acts or omissions of the Agency or third parties, acts of civil or military authority, civil disturbance, war, terrorism, pandemics, explosions, fire, floods, tornadoes, or other natural disasters or acts of God.

- 6.6 Delivery Payment/Risk of Loss:** Standard order delivery shall be F.O.B. destination to the Agency's location. Vendor shall include the cost/discount of standard order delivery charges in its bid pricing and is not permitted to charge the Agency separately for such delivery. The Agency will pay delivery charges on all emergency orders provided that Vendor invoices those delivery costs as a separate charge with the original freight bill attached to the invoice.

Deliveries made by the vendor shall be comprised only of Contract Items intended for delivery at that location and specified in the pricing pages, contract specifications or ADO. At no time shall property belonging to the West Virginia Department of Transportation be utilized as a lay-down or storage facility by the vendor, or items left with the intention of being distributed to an alternate location.

- 6.7 Project Acceptance Criteria:** The WVDOH District Engineer or their designee shall have final acceptance of the work done by the Vendor, per project. Any work found by the WVDOH District Engineer or their designee not performed in accordance with these contract specifications or the Standard Specs, as amended, and/or found deficient and unacceptable by visual inspection will be rejected and, at the Vendor's/Contractor's expense, will be removed and replaced by the Vendor with work being continual until the Vendor's deficient work corrections are completed and deemed acceptable and approved by the WVDOH District Engineer or their designee. Under no circumstance shall the Vendor's deficiency corrections exceed 20 calendar days unless otherwise declared in writing by the WVDOH District Engineer or their designee and may be subject to Liquidated Damages as per Section 6.5.1 of these Contract Specifications.

- 6.8 Return Due to Agency Error:** Items ordered in error by the Agency will be returned for credit within 30 days of receipt, F.O.B. Vendor's location. Vendor shall not charge a restocking fee if returned products are in a resalable condition. Items shall be deemed to be in a resalable condition if they are unused and in the original packaging. Any restocking fee for items not in a resalable condition shall be the lower of the Vendor's customary restocking fee or 5% of the total invoiced value of the returned items.

REQUEST FOR QUOTATION
Pavement Preservation

7. VENDOR DEFAULT:

- 7.1 The following shall be considered a vendor default under this Contract.
 - 7.1.1 Failure to provide Contract Items in accordance with the requirements contained herein.
 - 7.1.2 Failure to comply with other specifications and requirements contained herein.
 - 7.1.3 Failure to comply with any laws, rules, and ordinances applicable to the Contract Services provided under this Contract.
 - 7.1.4 Failure to remedy deficient performance upon request.
- 7.2 The following remedies shall be available to Agency upon default.
 - 7.2.1 Immediate cancellation of the Contract.
 - 7.2.2 Immediate cancellation of one or more release orders issued under this Contract.
 - 7.2.3 Any other remedies available in law or equity.

8. MISCELLANEOUS:

- 8.1 **No Substitutions:** Vendor shall supply only Contract Items submitted in response to the Solicitation unless a contract modification is approved in accordance with the provisions contained in this Contract.
- 8.2 **Vendor Supply:** Vendor must carry sufficient inventory of the Contract Items being offered to fulfill its obligations under this Contract. By signing its bid, Vendor certifies that it can supply the Contract Items contained in its bid response.
- 8.3 **Vendor Name Change:** It is the Vendor's responsibility to notify the WVDOH of name changes or acquisition by another company during the term of the contract. The WVDOH must be notified in writing of the change/acquisition and intention for the contract's ownership within 10 days of the change. **Failure to do so may result in payment delays.**

REQUEST FOR QUOTATION

Pavement Preservation

- 8.4 Reports:** Vendor shall provide the Agency with quarterly reports, annual summaries, and/or monthly reports as requested by the Agency and/or the West Virginia Purchasing Division showing quantities, total dollar value of the Contract Items purchased, ordered, shipped & invoiced with dates in spreadsheet format as defined by the Agency. Failure to supply such reports may be grounds for cancellation of this Contract.
- 8.5 Contract Manager:** During its performance of this Contract, Vendor must designate and maintain a primary Contract Manager responsible for overseeing Vendor's responsibilities under this Contract. The Contract Manager must be available during normal business hours to address any customer service or other issues related to this Contract. Vendor should list its Contract Manager and his or her contact information below.

Contract Manager: Barry Statler, Operations Manager
Telephone Number: 717-352-8995
Fax Number: 717-352-8187
Email Address: barry.statler@russellstandard.com

Vendor shall inform the Agency in writing of any changes to the information provided above within 10 calendar days of such changes. Failure to comply may be grounds for cancellation of this contract.

ADDENDUM ACKNOWLEDGEMENT FORM
SOLICITATION NO.:

Instructions: Please acknowledge receipt of all addenda issued with this solicitation by completing this addendum acknowledgment form. Check the box next to each addendum received and sign below. Failure to acknowledge addenda may result in bid disqualification.

Acknowledgment: I hereby acknowledge receipt of the following addenda and have made the necessary revisions to my proposal, plans and/or specification, etc.

Addendum Numbers Received:

(Check the box next to each addendum received)

NOTE: This addendum acknowledgment should be submitted with the bid to expedite document processing.

VENDOR INSTRUCTIONS:

Vendor shall complete Parts I, II and III below in their entirety. Vendor may bid any or all Contract Items. If Vendors prices differ from one District to another, the Vendor should complete a separate Pricing Page (ATT A) for each differing pricing set.

This is a multiple vendor award contract. To determine the low bid Vendor for individual projects, the WVDOH District Engineer or their designee will calculate the lowest overall total cost of the Contract Items required for individual projects. Estimated quantities are not available.

PART I: VENDOR INFORMATION (Required)

Vendor Name:

Russell Standard Corporation

Storage Location Address:

171 Seventh Avenue, Valencia, PA 16059

1514 Black Gap Road Fayetteville, PA 17222

Aggregate Source Address:

See attached list for various sources

PART II: DISTRICTS BID (Required)

X	District 1:	Boone, Clay, Kanawha, Mason and Putnam counties
X	District 2:	Cabell, Lincoln, Logan, Mingo and Wayne counties
X	District 3:	Calhoun, Jackson, Pleasants, Ritchie, Roane, Wirt and Wood counties
X	District 4:	Doddridge, Harrison, Marion, Monongalia, Preston and Taylor counties
X	District 5:	Berkeley, Grant, Hampshire, Hardy, Jefferson, Mineral and Morgan counties
X	District 6:	Brooke, Hancock, Marshall, Ohio, Tyler and Wetzel counties
