Executive Summary

Founded in 1946, Lynn Imaging is a trusted, woman-owned regional business serving Kentucky and the Ohio River Valley with locations in Louisville and Lexington, Kentucky. For nearly 80 years, we have specialized in large format printing technology and document workflow solutions for architecture, engineering, construction, government, education, utilities, and manufacturing organizations.

Our Lexington team provides complete support for HP PageWide XL Multifunction Printers and HP DesignJet plotters, including equipment consultation, installation, operator training, preventative maintenance, service, and ongoing account management. We understand the importance of reliable, high-performance printing environments and are committed to maximizing uptime, productivity, and long-term value for every client.

At Lynn Imaging, we believe in building lasting partnerships through exceptional customer service, technical expertise, and responsive support. As an Equal Employment Opportunity (EEO) compliant, woman-owned business, we are committed to delivering innovative large format printing solutions with integrity, reliability, and a customer-first approach. We appreciate the opportunity to submit this proposal and look forward to serving as your trusted large format printing partner.

Contacts & Management – we are accessible when YOU need US!

Justin Carter, Senior Consultant & Project Specialist

Justin Carter will serve as your primary point of contact throughout. With over 20 years of industry experience, he will oversee equipment selection, project coordination, installation, and ongoing account support to ensure smooth implementation and responsive communication.

Helpful Notes

Remote Service Monitoring
Our service team is notified directly when there are critical errors in the printer, letting us know right away if there is a problem.

Sophisticated Ink Reordering Program
Auto Fulfillment records when ink is at low capacity, and automatically notifies to replenish supplies.

CONSOLIDATION

Merging multiple vendor relationships into Lynn Imaging & Monster Color allows customers to experience streamlined service and support. Consolidating vendors allows for Lynn Imaging to provide strategic oversight of your company or project initiatives.

PROFESSIONALISM

Lynn Imaging strives to provide exceptional customer service from invoicing and payment, placing an order, to order status and delivery notifications. Lynn Imaging only sells the highest quality products and can provide insight through consultation to fit your business needs.

PARTNERSHIP

When customers partner with the right business, they can spend less time on managing printing and technology and more time on their business. We want to be your most trusted partner.

HP PageWide XL 4250mfp printer series

Fast mono and color print, keep cost under control

- Don't waste time waiting on prints—high-productivity monochrome and color speeds up to 12/15 D/A1 pages/min.²
- Excellent technical prints with HP PageWide XL pigment inks—vivid color, crisp lines, fine detail beat LED.³
- Save with low running costs in mono and color⁴ and with up to 10 times lower energy consumption.⁵
- Eco-Carton replaces plastic cartridge—80% reduction in plastic and 66% CO₂e reduction,⁶ free take back.⁷

Enhanced print/scan/copy for extreme simplicity⁸

- Easy printing and workflow efficiency with HP Click and HP SmartStream software.
- The market's largest 15-in touchscreen⁹ makes it easy to operate from the front and the back.
- Scan on the fly, gain agile digitalization with live scan preview and contextual post-edit capabilities.⁸
- Easy collaboration—access personal/network group folders at touchscreen; print, save, and share right away.

World class printer protection with HP Wolf Pro Security

- Best network protection with HP Connection Inspector dynamic security, HP Secure Boot, and Whitelisting.¹
- Keep your fleet secure and set security preferences—any time—with HP Security Manager software.
- Control who accesses the printer and its confidential documents with secure user authentication.

HP PageWide XL 4250 40-in Multifunction Printer with Top Stacker

Fast, efficient printing experience with the ultimate security¹

*Product image may differ from actual product

Fast mono and color print, keep cost under control

- Don't waste time waiting on prints—high-productivity monochrome and color speeds up to 12 A1 pages/min.²
- Excellent technical prints with HP PageWide XL pigment inks—vivid color, crisp lines, fine detail beat LED.³
- Save with low running costs in mono and color⁴ and with up to 10 times lower energy consumption.⁵
- Eco-Carton replaces plastic cartridge—80% reduction in plastic and 66% CO₂e reduction⁶, free take back.⁷

Enhanced print/scan/copy for extreme simplicity

- Easy printing and workflow efficiency with HP Click, HP SmartStream software, HP SmartTracker cost control.
- The market's largest 15-inch touchscreen⁸ makes it easy to operate from the front and the back.
- Scan on the fly, gain agile digitalization with live scan preview and contextual post-edit capabilities.
- Easy collaboration—access personal/network group folders at touchscreen; print, save, and share right away.

World class printer protection with HP Wolf Pro Security

- Best network protection with HP Connection Inspector dynamic security, HP Secure Boot, and Whitelisting.¹
- Keep your fleet secure and set security preferences—any time—with HP Security Manager software.
- Control who accesses the printer and its confidential documents with secure user authentication.

This printer is intended to work only with cartridges that have a new or reused HP chip, and it uses dynamic security measures to block cartridges using a non-HP chip. Periodic firmware updates will maintain the effectiveness of these measures and block cartridges that previously worked. A reused HP chip enables the use of reused, remanufactured, and refilled cartridges. More at: <http://www.hp.com/learn/ds>

Messaging Footnotes

¹ Based on comparison of published security specifications commissioned by HP and performed by Sogeti in January, 2024. Comparison of the HP PageWide XL portfolio and competitors that represent the majority market share of LED and UV-gel printers worldwide as of 2023 according to IDC. Comparison matrix and further details available upon request.

² The HP PageWide XL 4250 Multifunction Printer delivers 12 CAD output D/A1 prints in 1 minute. Number of pages will vary depending on the print mode and application printed.

³ Based on testing commissioned by HP and performed by Sogeti in September, 2020. Fine detail based on the number of line breaks found in 1.5 mm of line. On vertical 1 px C,M,Y,K lines. Printed on Océ 75 g plain paper using equivalent fast/high-speed print modes. For output produced with an HP PageWide XL 8200 Printer and comparable printers from different manufacturers and that represent the majority market share of LED and UV-gel printers worldwide as of 2019 according to IDC.

⁴ Calculation based on total cost of ownership comparison of comparable competitive printer, considering average printhead life. Results show maintenance costs reduced by 50% when printing technical drawings. Analysis period of 5 years and assuming a production of 1000 m²/month with a printing category distribution of: 80% lines, 20% high-density images. Testing commissioned by HP and performed by Sogeti in September, 2020.

⁵ Based on tests performed internally by HP based on ISO 20690 and performed in September, 2020. Comparable printers using LED technology based on LED printers capable of printing 4-6 D/A1 pages per minute and which represent the majority market share of mid-volume LED printers in the US and Europe according to IDC as of October, 2020.

⁶ Based on 1-liter cartridge, figures might be slightly different for 500-ml cartridge. CO₂e reduction based on moving from plastic ink cartridge to cardboard HP Eco-Carton ink cartridge, with annual manufacturing savings of 36 tons and transport savings of 1 ton. Equivalent to 147,755 km (91,811 miles) driven by an average passenger vehicle or 4,718,692 million smartphones charged.

⁷ Visit <https://www.hp.com/recycle> to see how to participate and for HP Planet Partners program availability; program may not be available in your jurisdiction. Where this program is not available, and for other consumables not included in the program, consult your local waste authorities on appropriate disposal.

⁸ Based on comparison of published front panel specifications commissioned by HP and performed by Sogeti in September, 2020. Comparison of the HP PageWide XL portfolio and competitors that represent the majority market share of LED and UV-gel printers worldwide as of 2019 according to IDC.

Datasheet

Technical specifications

Print	
Description	Large-format color MFP
Technical documents (from roll)	Up to 650 A1 pages/hr, 12 A1 pages/min
Warm-up time	No warm up
First page out	22 sec (from USB)
Print resolution	1200 x 1200 dpi
Technology	HP PageWide Technology
Ink types	Pigment-based (C, M, Y, K)
Print Cartridges/Bottle, Number	4 (C, M, Y, K)
Print cartridge/bottle volume delivered	500 ml
Printheads	8 (C, M, Y, K)
Average printhead life	32 L
Printhead warranty	12 months from the date of installation, or 10 L, or until the Warranty Ends date printed on the packaging, whichever comes first
Line accuracy	±0.1% ¹
Minimum line width	0.02 mm (HP-GL/2 addressable)
Scan and copy	
Linear scan speed	Color: up to 15.24 cm/sec; Grayscale: up to 25.4 cm/sec
Scan resolution	1200 dpi
Technology	36-in (91-cm) CIS scanner
Scan format	JPEG, TIFF, multi-TIFF, PDF, PDF/A, multi-PDF, multi-PDF/A
Scan destinations	Printer storage, USB drive, network folder (SMB), My home folder, scan to email, scan to HP SmartStream software
Maximum scan width	Up to 914 mm
Maximum scan length	50 m (PDF), 12 m (TIFF), 8 m (JPEG) ²
Maximum copy length	9.5 m
Original thickness	0.26 mm
Scan features	Live preview, scan quicksets, smart background removal, black enhancement, automatic de-skew, reduce scan speed, post-edit settings (contrast, brightness, rotation, cropping and skew)
Media	
Applications	Line drawings; Maps; Orthophotos; Posters
Rolls	Media rolls: 2 rolls default with auto-switching, expandable to 4 rolls; Roll size: 279 to 1016 mm; Roll length: Up to 200 m; Maximum roll diameter: Up to 177 mm; Roll core diameter: 76 cm
Media Weight Recommended	70 to 200 g/m ²
Media weights by paper path	70 to 200 g/m ²
Thickness	Up to 0.4 mm
