10 Smart Ways To Stay Safe Every Day

Look Left. Look Right. Look Again.
Always stop and look both ways before crossing the street.

Use Crosswalks & Crossing Guards
Stick to marked crossings and follow directions—especially near schools.

Wear Your Helmet
Protect that brilliant brain every time you ride your bike or scooter.

Buckle Up During Every Ride
Seat belts keep you safe and snug—no matter how short the trip.

Be a Good Passenger
Whether you're in the car or on the bus, stay calm so the driver can focus.

Skip Headphones and Earbuds Near Roads
Keep your ears open so you can hear cars and stay alert.

Stay Alert Near Roads
Pay attention, make sure drivers see you, and never assume they'll stop.

Wear Bright Colors
Be seen—especially in the early morning, evening, or on cloudy days.

No Phones While Walking
Heads up, not down! Stay off screens when crossing or near cars.

Speak Up for Safety
Remind others to buckle up, slow down, and walk safe. Road Safety Heroes help others too!

Small Actions Make a Big Difference
Together we can make West Virginia a safer place to walk, ride, and roll.
