I hereby state, under penalty of false swearing, that there will be a Motor Vehicle Liability Policy in effect on this vehicle during the dates that the vehicle is not in seasonal storage, as listed above, in accordance with the provisions of WV code. I understand that during such time as this vehicle is not in seasonal storage, the "seasonal" status will be removed and insurance coverage will be verified through the insurance verification program audits. I further understand that if I renew the registration of said vehicle during the time it is in storage, the "seasonal" status will be removed and I must submit a new statement of insurance to the division.
